HelmetCamera.com - XTREME KIT (Waterproof and Submersible) Features Sony's new EX VIEW chip!!!

- **All xtreme and xtreme plus helmet camera kits include a free xtreme mount (a \$77 value)**

- SONY helmet camera w/ super high image processing chip.
- Available in 380/480/560 lines of resolution.
- Features brilliant color and image processing.
- Proprietary shock resistant and vibration dampening methods employed in production which are not used in bullet cams.
- Completely waterproof and submersible to over 100 feet.
- XTREME crushproof, crushproof, bombproof mount made of aircraft grade aluminum, provides ultimate protection for camera while enabling user to mount camera on any surface w/out screws. Transfers from helmet to helmet in seconds.
- 3M fastening strip secures XTREME mount to any surface. No need to purchase additional XTREME mounts. Additional fastening strips available. Get one for each of your helmets. Used on BLACKHAWK helicopter skids w/ our XTREME mount!
- Cables and connectors to connect to both digital and non digital camcorders.
- High Gain microphone to record audio as well as video. Can be waterproofed to go underwater too.
- 12 volt battery pack holds 8AA batteries. 10.5 hour rechargeable system upgrade is also available.
- Hard shelled foam padded carrying case.
- Lifetime warranty on XTREME Mount.
- 18 month warranty on camera..

- You will not find a more durable HelmetCamera anywhere!

All XTREME and XTREME PLUS helmet camera kits include a FREE XTREME mount..

That's a \$77 value for FREE!
