Pretty big (many, many days) still ongoing tour of the US and Canada by a guy on a V-65...

Video, pics, some cool touring ideas...

THAT is some damn cool motorcycling, IMHO!

That is completely cool. I'd love to be able to do that someday.

pretty sweet, eh?

Hey, how'd your deer hunting end up? I had a decent buck try to sneak past me at 7:15 am on the PA opener... needless to say my freezer is full now! I feel like I didn't even deserve him though - didn't archery hunt this year, nor do any scouting, fired one shot the day before to check accuracy... it was almost too business-like, LOL!

Sometimes you get lucky that way. haven't been out much, seen a # of does, let them walk, looking for the buck, heard a few bucks, only seen 2 couldn't get a shot at either.

How can anyone let a bike get that dirty?
It's just terrible.

yipper.. I'll try to get a doe this weekend or next week.

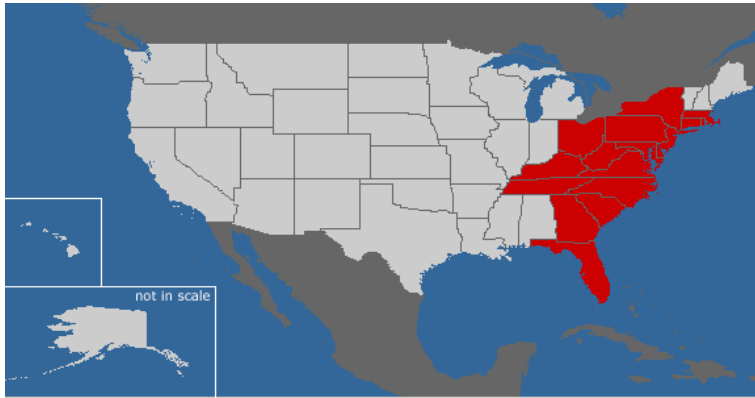

I only had about 5 hours to hunt so far this season, and had to make the most of it - had that fella skinned, quartered and in the fridge by 10:00, LOL!

I'll butcher 'im up this weekend, should I make a special humongous cut for the PA Ride Cook-off?? Maybe freeze a whole rack of ribs?

Not a big fan of ribs myself.
To much effort for to little reward.
I prefer Steaks and roasts.
But I've never turned down free food that I can recall.
Well maybe veggies.
