Optura 20
Digital Camcorder

Item Code: 8528A001

The Optura 20 has a personality all its own. It is highly intelligent, yet it's remarkably easy to use. Its sleek, cutting edge design totally meshes with you and your lifestyle. Versatility is at its core. It produces video which blurs the line between reality and your TV screen. Camera-inspired features open the door to a photographic world filled with flexibility, control, and excitement. Connectivity is as simple as it is extensive. New imaging opportunities are not only possible, they are yours for the taking.

The Optura camcorder is equipped with a full range of sophisticated features to capture outstanding video and digital photos. Genuine Canon Optics, Image Stabilization, a high-quality 1.33 Megapixel CCD and Advanced Photo Features guarantee a success every time. Superior connectivity means you can share your memories quickly and easily -- without jumping through hoops.

With a full complement of accessories, you can extend the performance and versatility of your Optura 20 even further. See more. See farther. Shoot longer. Hear sharper. As you grow with your camcorder, Canon has the accessories you need
