Mileage:	<b>7516</b>	Primary Color:	<b>Black</b>
Title:	<b>Clear</b>	Condition:	<b>Used</b>
Vehicle Identification Number (VIN):	--		

**1987 Yamaha SRV 540 snowmobile, new parts, non-running**

**Vehicle Description**

1987 Yamaha SRV 540 (L?). Many newer parts on it. I'm moving to the mountains so my fun trail sled is up for sale. It is, unfortunately, non-running. The primary issue is crankshaft bearings (PTO end). If I wasn't moving - I'd be fixing it and riding it - the power to weight combination of these SRV's make them fun sleds.

For a complete listing of photos and parts click [here](#)  
Even more photos are [here](#)

The motor is out of it and disassembled. It is complete (except for the removed PTO bearings and a track wheel).

Sled is hangered at the Freeport Illinois airport (about 3 miles southeast of Freeport). Local pickup.

Always stored indoors - usually trailered with an enclosed trailer (no salt spray).

A couple photos - check the links above for a COMPLETE listing of information - new parts and pictures.

**This sled is too nice to just part out...**  
***Buy it, Fix it, Ride it, Enjoy it***

### Questions from other members

Question & Answer

Answered On

**Q:** is this fan cooled?

Jan-30-07

**A:** Yes, it is fan cooled. Twin cyl, two stroke, oil injected (not pre-mixed), 540cc's.  
The motor is stock / has not had "performance" parts put onto it.

**Q:** Hello, I looked at all the pictures and see were the motor is out of the machine. Does the motor with the bad bearing come with the sled? Please let... [more](#)

Jan-30-07

**A:** YES!! I can either gently box it or do a "finger tight" re-assembly. Your choice. I want to make sure you, the buyer, get the most complete sled I can... [more](#)
